Now in stock, 2025 Axopar 29XC, powered by a Mercury 350HP V10 Verado outboard.

Axopar is a brand renowned for its handling, comfort and speed - especially in blue waters. This 29XC is no exception, boasting the renowned Axopar ride quality the brand is loved for. Featuring the trademark stepped hull, designed to provide very fast and efficient planing, arriving on plane at speeds as low as 12 knots! Providing a more comfortable ride and better fuel efficiency for longer - ensuring you and your passengers ride in comfort.

The Axopar 29XC is designed for a 12 month boating season, with a fully enclosable pilot house designed with driver-first helm design and fantastic visibility. Optioned as a cross cabin, this exaple boats a foward and aft cabin, both suitable for adults, accomodating up to four.

The Helm comes fitted with dual 12 inch Simrad screens, the latest Mercury DTS, bow thruster controls, trim tab controls, CB radio and JL Audio controls - everything the driver needs to control the boat within arms reach at all times.

Finished with the adventure collection upholstery upgrade, this vessel comes with stunning navy blue patterned Lintex as part of the Adventure collection upgrade, with Lintex sphere (grey) upholstery in the cabins. With a fully equipped head in the convertible front berth, as well as a top loading fridge and wet bar at the rear, you have all the amenities you need to stay out on the water for extended trips as well as to entertain up to 9 guests.
