TheAntares 8 V2 OB Cruisingis a modern weekender tailored for Australian conditions, equally at home in sheltered harbours, broad estuaries and winding river systems. Measuring just over8.2 metresin length with a beam of approximately2.8 metres, it strikes a balance between a compact footprint and generous volume, delivering a soft, confident ride and easy manoeuvrability for both new and experienced skippers.

Inside the bright wheelhouse, panoramic glazing and effective ventilation create a calm, weatherproof retreat on longer runs. The dinette converts for overnighting, complemented by a snug forward berth, while the enclosed bathroom adds privacy and convenience for weekends away. With around100 litresof freshwater on board, showers and the galley are supplied without the need for constant top-ups.

On deck, safe side-deck access, a protected cockpit, and flexible seating make it simple to switch from cruising to lunch at anchor. Underway, the responsive250 hpMercury outboard provides smooth, economical performance for harbour hops and upriver exploration. A340-litrefuel capacity supports full-day itineraries and relaxed coastal stretches without frequent refuelling, so you can focus on the views rather than the gauge.
