SCOUT 530 LXF POWERED BY MERCURY OUTBOARDS

NEW ORDERS - Price On Application.

CALL US FOR A FULL LIST OF ENGINE AND BOAT OPTIONS TO COMPLETE YOUR DREAM BOAT.

Introducing the Scout 530 LXF, the ultimate Sport Yacht that redefines luxury and performance on the water. Powered by an incredible setup of MERCURY OUTBOARDS, this flagship model in the Scout range sets the standard for versatility, power, and craftsmanship. Performance and Engineering

The Scout 530 LXF boasts an astonishing 2000 HP generated by its five MERCURY OUTBOARDS, providing unmatched speed and agility for a vessel of its size. Measuring approximately 16.15 metres in length and 4.57 metres in beam, this model offers an expansive platform ideal for both high-performance pursuits and relaxed cruising. The patented carbon-epoxy-infused hull enhances efficiency and ensures a smooth, dry ride, even in challenging offshore conditions. Sophisticated Design and Comfort

Scout's meticulous attention to detail is evident in every corner of the 530 LXF. The interior features yacht-quality finishes, spacious cabins, and thoughtfully designed layouts for extended stays or day trips. The luxurious master cabin includes a double berth, full head with shower, and a well-appointed galley for comfortable overnight adventures. The seamless integration of high-end materials and cutting-edge technology creates a space that is both functional and visually stunning. Fishing and Leisure Features

For the avid angler, the 530 LXF includes:

- Multiple rod holders and a large aerated livewell.
- A spacious aft deck designed for casting and reeling.
- Generous storage for tackle and gear.

For leisure, features include wrap-around seating in the bow with a retractable table, a spacious cockpit with a summer kitchen, and integrated swim platforms with a retractable ladder. Advanced Technology

This model is equipped with state-of-the-art technology, such as:

- Dual Garmin displays with CZone digital switching.
