With a stylishly modern look, the Antares 12 showcases forward-thinking design while underlining the profile and mindset that have made the line so successful in the last 45 years.

The sheer line and hull windows create an elegant line and bring ample natural light inside. The iconic hard top profile blends well with the rest of the boat and is the foundation for the large flybridge.

The boat has three outdoor lounge areas: the cockpit, the forward sun pad and a vast flybridge with a corner sofa and a fully fitted outdoor galley cabinet.

The Antares 12 stands out for the remarkable quality of its materials and trims, not to mention its stylish, generous interior spaces. The wheelhouse is a central living space with a panoramic view of the ocean.

The fully fitted galley allows you to give free rein to your culinary creativity. The lounge with facing seats is a great place to enjoy good company. The indirect lighting, elegant upholstery and lacquered furniture create a peaceful atmosphere, where you can relax and contemplate the surroundings.

Everyone's privacy is maintained aboard: the owner cabin is spacious and bright, and has its own ensuite bathroom, as does the VIP guest cabin. A highly modular third cabin can be used as single or double berth, easily becoming the extra storage any owner needs. With the wheelhouse's convertible salon, the boat can accommodate up to eight people for a pleasant night on board.
