The Beneteau Flyer 9 SUNdeck is functional and ergonomic, the combination of a sea-worthy comfortable hull and quality fit-out, the Flyer 9 SUNdeck displays impressive modularity internally and externally, fulfilling the expectations of anyone who enjoys boating.

The Flyer range displays how this stylish French craft is an appealing mix of chic Euro styling and comfortable living space a perfect entertainer. With a well thought out flow through the boat both in the cockpit and cabin areas, the Beneteau Flyer is all about enjoying boating. Its fuss-free fibreglass design ensures you can really enjoy the pleasure of being afloat each and every time you head out on the water.

Beneteau are the only manufacturer in this category that has advancements like their own patented Air Flow 2 hull design that delivers smooth operation in a range of conditions and unparallel stability and boasts a CE Rating for the Beneteau design that has the highest ranking in the market and compares with commercial survey standards, with features like the self-draining decks and raised gunwale line. Beneteau don't share these features with their sister brand, and maintain their status as the premium offering in this segment.

The value is evident in the ultra-modern and attractive finish and versatility of the Flyer. The decor is smart, and most importantly practical for boating and in true Beneteau fashion, keenly priced.
