The 240 CC seamlessly meshes tournament capability, family comfort and style into a stunning centre console. Built on a proven hull with superior fuel efficiency and open water running performance, the intelligent deck layout maximises form and function. A wide open cockpit with level floor from bow to stern, twin 125-litre in-floor fishboxes, a 106-litre livewell and a standard aft tackle station are designed to meet even the most hardcore angler's needs.

When the fishing is finished, the 240 CC is equally adept as a platform for hosting an elegant sunset cruise or spending a casual day sandbar hopping. Passengers and guests will especially appreciate all the bigger boat amenities like the forward-entry walk-down head, hideaway rear bench seat with backrest, and the upgraded cushion packages that include double-bolstered helm seats and forward-facing backrests for the bow. There's not a better looking and more feature-packed 7.3-metre boat on the water.
