The 265 OPEN takes angling a step further. It builds on the features and innovation of the 265 CC — the inward-opening side entry door, user-friendly helm, and optional integrated hardtop frame with tempered glass enclosure, wiper, and vent, plus the updated Garmin electronics package that accommodates dual 16" screens.

But the 265 Open is more fishing-focused, with a layout designed to give you more room for the crew and all your gear. The most noticeable difference is the increased open area fore and aft, allowing full walk-up access to the bow and stern. Multiple helm seat station configurations let you pick your favourite. A forward console jump seat gives you a spot to relax when you want it, and neatly tucks away when you don't. Add the deep drop setup with electric reel outlets to give you more ways to bring home dinner.

Overall, the extra deck space, fishing-focused features, and Cobia-level comfort show how anglers really can have it all.

THE PACKAGE INCLUDES PROFESSIONAL ON-WATER TRAINING AND FAMILIARISATION, NSW REGISTRATIONS AND ENCLOSED WATERS SAFETY EQUIPMENT, AND DOCKING EQUIPMENT INCLUDING ROPES AND FENDERS.

CMG at Sydney Boathouse, 2/2 Waterways Court, Sydney, our friendly staff will be pleased to help with your specific requirements.
