The all-new 285 OPEN is designed for both the avid family angler and the dedicated tournament-driven angler. With an increased focus on the open space layout for full walk-up access to the bow and stern, the 285 Open takes fishing features even a step further by adding two additional cockpit insulated fish boxes with macerated overboard drains, standard kite rod holders and an optional deep drop set-up that includes reinforced gunnel boards and electric reel outlets.

Additional upgrades include a Garmin Force Kraken trolling motor and enhanced JL Audio sound system packages with 10” subwoofers and up to 10 speakers, strategically positioned to optimise sound no matter where you're sitting, standing or fishing.

With a length overall of 8.66 metres and a beam of 3.02 metres, along with versatile seating options, you’ll have plenty of room for your crew. Get to your favourite spot faster and fish all day with multiple twin-engine options – up to 522 kw (700 hp) maximum. The helm accommodates dual 16” Garmin screens, so navigating is second nature. The premium helm seat with tackle centre and cooler with slide is standard on the Open—or opt for a version that includes extra tackle storage, prep area, or a fitted Seakeeper 1.

THE PACKAGE INCLUDES PROFESSIONAL ON-WATER TRAINING AND FAMILIARISATION, NSW REGISTRATIONS AND ENCLOSED WATERS SAFETY EQUIPMENT, AND DOCKING EQUIPMENT INCLUDING ROPES AND FENDERS.
