The Bella Veneet Boat Group produces a trio of big-hitting international badges including “Bella”, “Flipper” and “Falcon” and through these brands has been awarded “best in boating” and has been building leisure boats from their Finnish homeland for nearly 50 years, they are Scandinavia’s leading manufacturer of Power Boats with five domestic production plants generating a mixed fleet of the cruiser, hardtop, day cabin, and open craft.

Falcon BR 6 is a nimble, handy, and surprisingly spacious boat that smoothly adapts to today's cruising, water sports, and fishing purposes. The idiom of the boat delivers the message of versatility and convenience; a clear layout, precise details, and seamlessly integrated solutions make sure that every generation and group of all sizes feel at home in this boat that has been designed and manufactured strictly on the terms of the users.

These boats offer a spacious design combined with excellent maneuverability and modern European styling and just the right touches of character, with a sporty approach. Do not let the compact dimensions and low fuel consumption fool you – These are full-blooded day boats, equipped with all the modern conveniences.

The Euro designs incorporate a Speedhull that enables higher speeds and a sporty driving experience under all conditions. The foam-filled monocoque frame construction makes the hull extremely stiff and quiet– which again contributes to excellent drivability and less noise in the cockpit..

The unique layout enables using these boats in various ways to have fun on the water. Socializing, dining, sunbathing, water sports, overnighting, camping, and other activities. Handling is as easy as it can get, and the ergonomics are excellent.

THE PACKAGE INCLUDES PROFESSIONAL ON-WATER TRAINING AND FAMILIARIZATION, NSW REGISTRATIONS AND ENCLOSED WATERS SAFETY EQUIPMENT, AND DOCKING EQUIPMENT INCLUDING ROPES AND FENDERS.
