SCOUT 231 XSB BAY BOAT POWERED BY MERCURY OUTBOARDS

NEW ORDERS FROM \$276,023

CALL US FOR A FULL LIST OF OPTIONS, MERCURY ENGINE UPGRADES, AND A TRAILER TO COMPLETE YOUR DREAM BOAT.

Introducing the Scout 231 XSB Bay Boat, where exceptional fishing capabilities meet comfort and style—perfect for both dedicated anglers and family adventures. Designed to excel in both shallow bays and open waters, this versatile vessel offers unparalleled performance for a variety of marine pursuits.

Step aboard to discover a thoughtfully engineered layout that maximises space and functionality. The elevated casting platforms at the bow and stern provide ample room for casting, while the integrated seating ensures comfort during leisurely cruises. The centre console helm features intuitive controls and space for optional advanced electronics, enhancing your navigation and fishing experience.

Anglers will appreciate the boat's extensive fishing features, including multiple stainless steel flush-mounted rod holders, a generous live bait well, and abundant storage compartments for tackle and gear. The shallow draft allows you to explore inshore fishing spots that are inaccessible to larger vessels, expanding your fishing horizons.

Measuring 7.04 metres in length with a beam of 2.59 metres, the 231 XSB offers stability and smooth performance in various water conditions. Its advanced hull design ensures a dry and comfortable ride, even when the weather is less than ideal. Powered by the formidable MERCURY OUTBOARDS, you can expect swift acceleration, impressive top speeds, and fuel-efficient cruising, making it suitable for both seasoned boaters and those new to the helm.
