CALL US FOR A FULL LIST OF OPTIONS, MERCURY ENGINE UPGRADES, AND A TRAILER TO COMPLETE YOUR DREAM BOAT.

Step into luxury and performance with the Scout 260 LXF, a sport yacht that effortlessly combines high-end craftsmanship with serious offshore fishing capabilities. Powered by a single MERCURY OUTBOARDS, this vessel offers exceptional speed, power, and efficiency. The inclusion of Mercury Power Steering ensures smooth and responsive handling, making every voyage a pleasure.

At 7.92 metres in length and a beam of 2.59 metres, the 260 LXF provides a spacious and stable platform for all your boating adventures. Its sleek and modern design features a well-appointed deck that caters to both avid anglers and those seeking leisurely cruises. The advanced hull design guarantees a smooth, dry ride, even when navigating choppy offshore waters.

Fishing enthusiasts will find a host of features tailored to their needs, including multiple stainless steel flush-mounted rod holders, a large aerated live bait well, and abundant storage for tackle and gear. The open cockpit layout offers ample space to manoeuvre while battling game fish, ensuring an unobstructed and thrilling fishing experience.

For relaxation and entertainment, the boat boasts luxurious seating options, such as the comfortable bow area complete with cushions and backrests. The ergonomic helm station has intuitive controls and provides space for optional advanced electronics, enhancing your navigation and overall boating experience. Whether you are chasing the horizon or anchored in a tranquil bay, the 260 LXF delivers unmatched versatility and style.
