Description

SCOUT 281 XSS POWERED BY MERCURY OUTBOARDS

NEW ORDERS FROM \$481,910

CALL US FOR A FULL LIST OF ENGINE AND BOAT OPTIONS TO COMPLETE YOUR DREAM BOAT.

Introducing the Scout 281 XSS, a versatile and high-performance centre console boat designed for those who demand luxury, functionality, and exceptional craftsmanship. Powered by MERCURY OUTBOARDS, this vessel is perfectly suited for both offshore and inshore fishing adventures, as well as comfortable cruising with family and friends.

Step aboard to experience a spacious and intelligently designed layout that caters to all your boating desires. The large fore and aft casting decks provide ample room for fishing or relaxing, while the ergonomic helm station offers intuitive controls and space for optional advanced electronics, ensuring a seamless navigation experience. Additional seating, complete with plush cushions, ensures comfort for all passengers.

For fishing enthusiasts, the 281 XSS is outfitted with an array of angling amenities, including stainless steel flush-mounted rod holders, a generously sized aerated live bait well, and ample storage compartments for all your gear. The self-bailing cockpit and durable construction ensure that clean-up after a successful fishing trip is effortless.

Measuring 8.59 metres in length with a beam of 2.74 metres, the Scout 281 XSS offers exceptional stability and comfort without compromising performance. The MERCURY OUTBOARDS deliver reliable power, exceptional acceleration, and efficient cruising for extended adventures. Advanced features such as a jack plate and hydraulic steering with Mercury Power Steering enhance control and handling, making the 281 XSS an excellent choice for both seasoned captains and new boaters alike.

Standard Features:

- Centre console design with tempered glass windscreen and stainless steel grab rails
- Spacious fore and aft casting decks
- Stainless steel flush-mounted rod holders
- Generous aerated live bait well
