Description

2022 SEA RAY SDX270

With more boats arriving soon we need to make space, so your opportunity to grab a great deal!

Powered by a Mercury 300 hp outboard with ONLY 32 hours

The Sea Ray SDX 270 powered by a Mercury outboard is a high-performance boat that delivers both power and precision. The Mercury engine is known for its durability and reliability, making it an excellent choice for those who want to spend more time on the water and less time in the shop. With its impressive power and acceleration, this boat is sure to provide a thrilling ride for all on board.

Measuring 27 feet in length and 8 feet 6 inches in beam, the SDX 270 offers plenty of space for up to 12 passengers. The cockpit is well-appointed with comfortable seating, a convenient sink and cooler, and ample storage space for all your gear. The boat also features an impressive sound system and state-of-the-art electronics, making it perfect for entertaining or just relaxing with friends and family.

Overall, the Sea Ray SDX 270 powered by a Mercury outboard is a top-of-the-line boat that is sure to impress even the most discerning boaters. With its exceptional power and performance, luxurious features, and spacious interior, this boat is an excellent choice for those who demand the best.
